## Developing Investment and Sustainable Partnerships

|                      |                                                                                                                                                                                                                                                                                  |
|----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Objective:</b>    | To present investment opportunities and investor-support policies in key sectors of Gobi-Altai Province including infrastructure, energy, agriculture, and mining - and to initiate sustainable, trust-based partnerships between government, businesses, and investors.         |
| <b>Organizers:</b>   | The Citizens' Representatives Assembly and the Governor's Office of Gobi-Altai Province.                                                                                                                                                                                         |
| <b>Date:</b>         | 19-20 March 2026                                                                                                                                                                                                                                                                 |
| <b>Participants:</b> | Members of the Parliament of Mongolia; the leadership of relevant government ministries and agencies; the leadership of Gobi-Altai Province; domestic and international investors; representatives of foreign embassies; and representatives of banks and financial institutions |
| <b>Venue:</b>        | Shangri-La Hotel, Ulaanbaatar                                                                                                                                                                                                                                                    |
